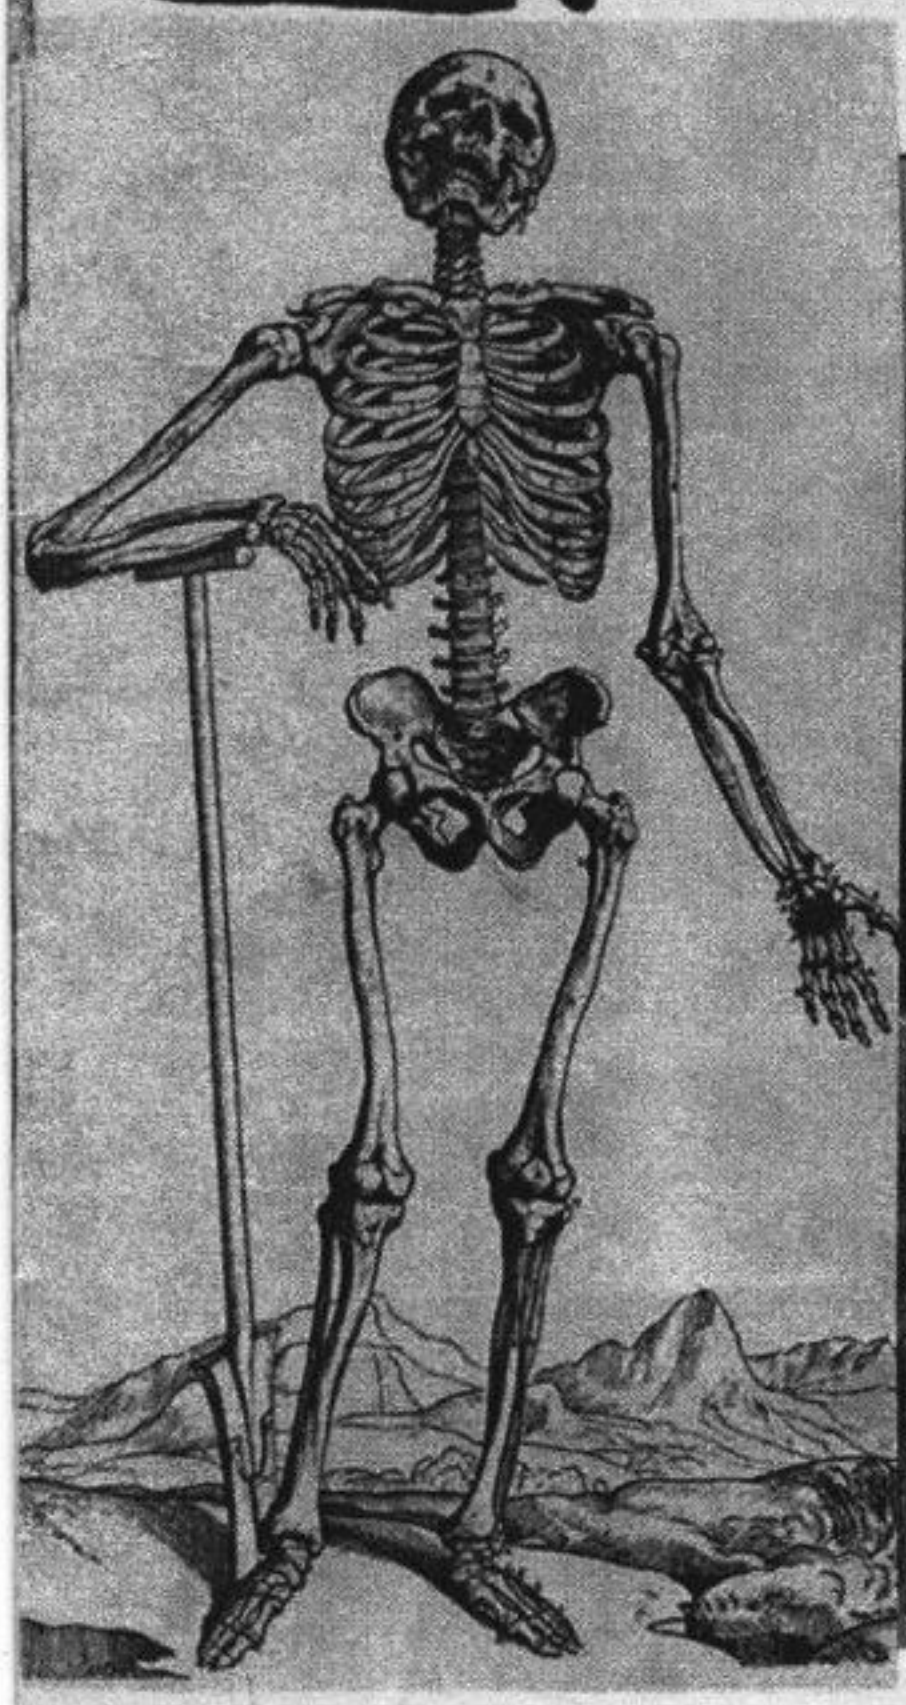
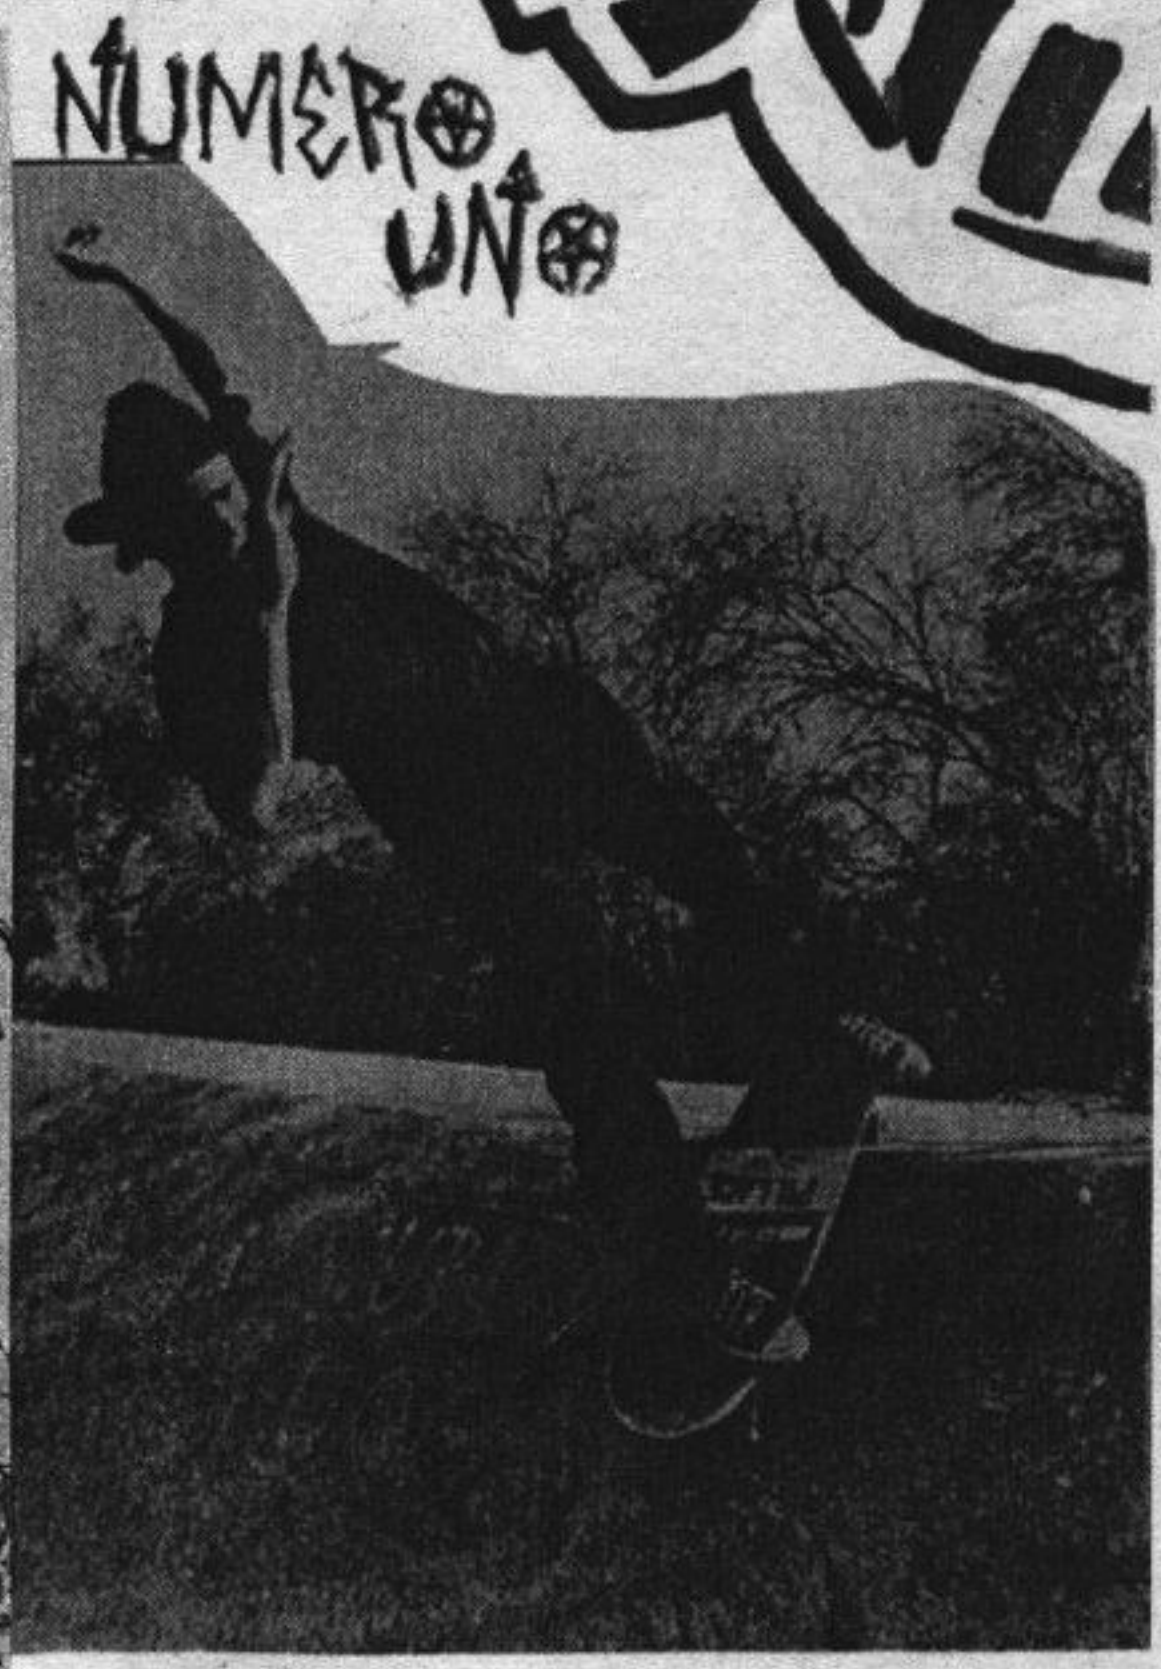
NUMERO UNO





it's a new form of expression. For some it's NOISE

It was the best of times and the worst of times for these anxious, angry, skeptical, visionary young men+WOMEN.

IT'S PURE EVIL!

WHAAA?

ARISE!

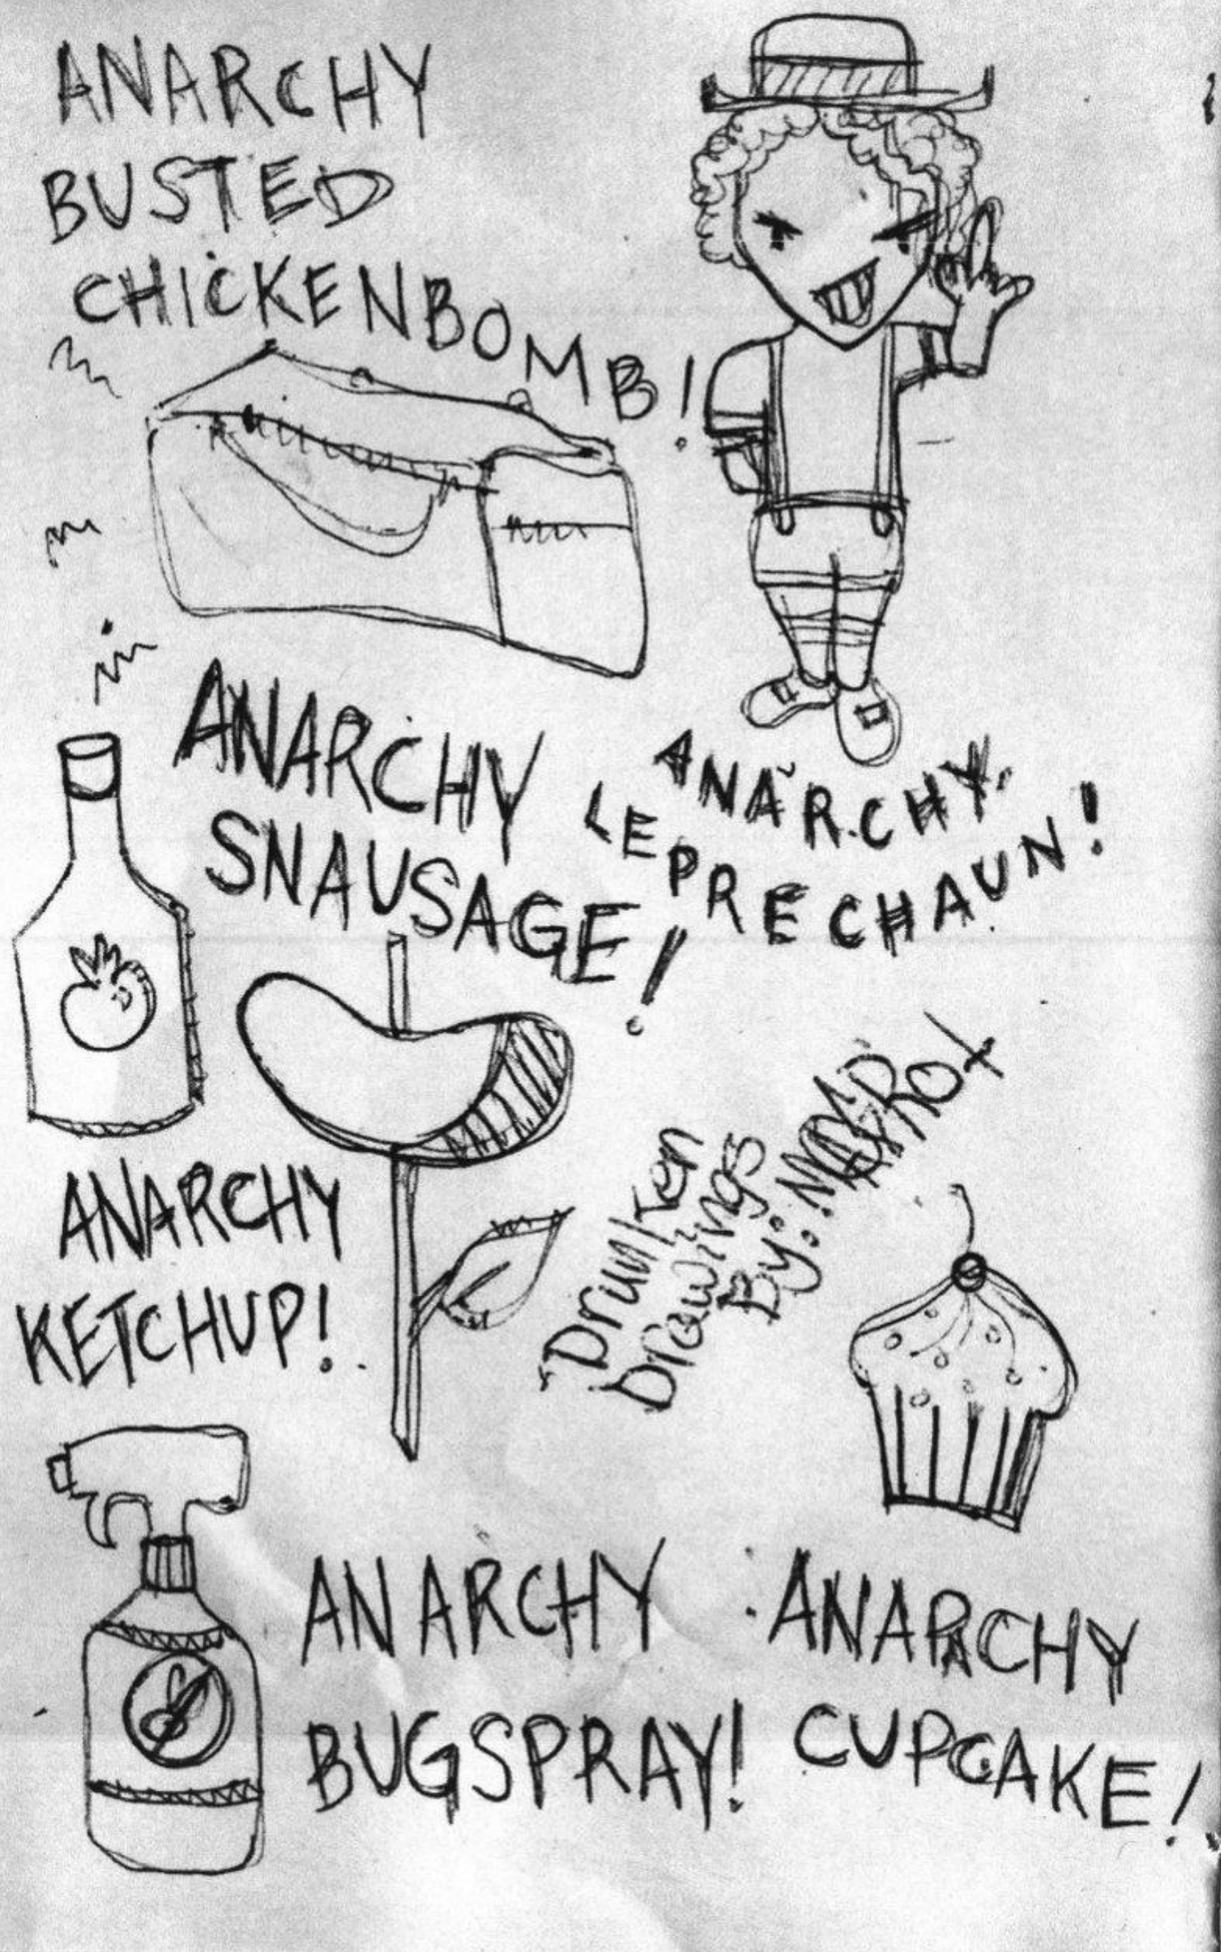
Because whalest dolphins eat so much, Japanese fishermen killed all these animals so there is more fish for them & less competition.

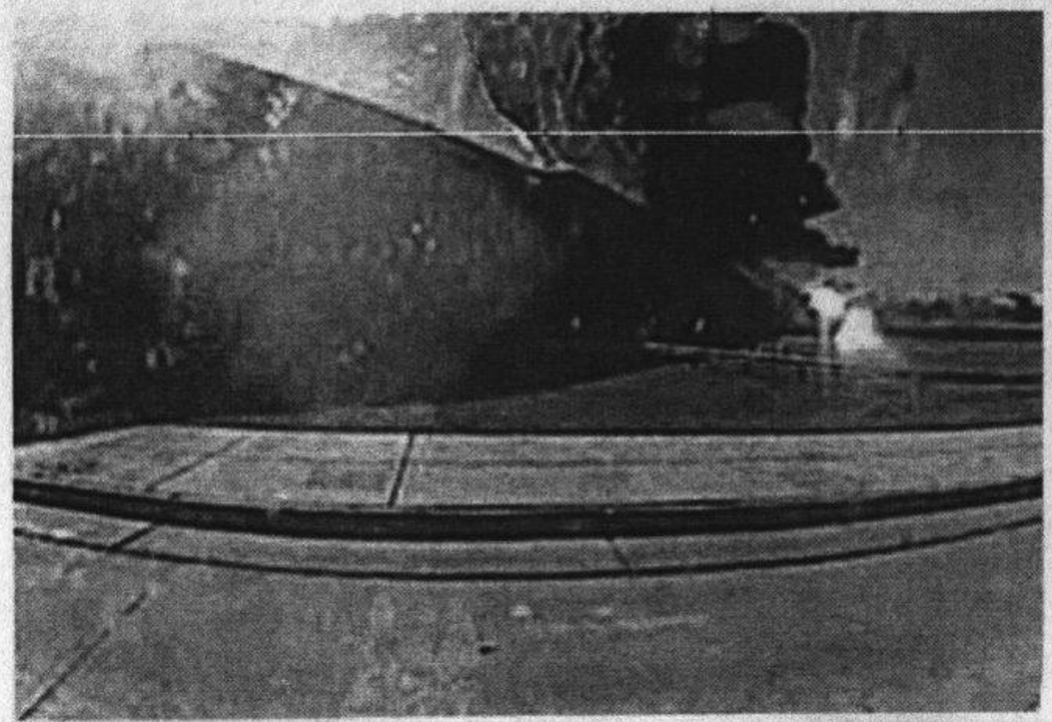
My car has room for 4 people and myself, were trying to get to Mt. Happy. the original line-up in my car was Scott, Rosey, ES, Twan, and myself.

Then there was a rumor of another car, and Rosey was supposed to drive it. also in that car was supposed to be Margot and Jusks. Nick Massaiccia wanted to ride in My Car, so did ruthless toothless Bill. But the Question arose of what was going on with Transportation of the possible 10 or soneshit amount of kids that wanted to go visit Mt happy for Marieva's Birthday party.

So after talking to Twan, we called Mary to find out what happened with the kids in her car, but it was Broke & she might not go, Youre all fucked

The Drive went well & Scott lost MY cars gascap...
upon Arriving at Mt happy, I noticed alot of Ann Arbor Kids and the Show began. Scott & I gathered loot on the steps for a local pilsen evironmental group... soon after the house got going and into the bands, the police illegally entered mt. happy & many cars were there and even 2 paddy wagons, I went up to the Rooftop, ready to pull the ladder up... But The kids left, the cops left, and The away bands left, so I came down. eventually some impov grind & tunes erupted and we partied on...
in the progress of the weekend. I missed MT. HAPPY off...
SORRY GWSTGALS





If you ignore the facts, the plane that hit the Pentagon on 9/11 was a missile.

HOW TO TALK TO THE COPS WHO BUST YOUR PARTY

1. BE POLITE. Smile. Call them officer. Don't get short.

2. ANSWER THE DOOR YOURSELF. Don't send your drunken buddies. As soon as you see it's the police, step outside and close the door behind you. They now have no right to open it without a warrant. Your buddies have their own job to do, i.e., hiding things.

3. DON'T BE A JERKASS. If the cops are just asking you to turn down the music, say, "Yes, sir" and go do it.

4. GIVE NO INFORMATION. You have everything to lose and nothing to gain by talking. Be sweet but firm. If you don't know how to answer, simply ask, "Am I free to go?"

5. DON'T LET THEM INSIDE. They'll ask to do a "routine inspection." They'll say they smell something. Expressly tell them you do not consent to their entering.

6. STAY POLITE. If you're off balance, they have the advantage. You may be two fifths into a rage, but shut your mouth, smile and ask if you're free to go. Avoid being clever, even when they ask if you think you're smart.

AND EVEN WITH ALL YOUR WEALTH, PEOPLE DIE

DEATH

SOMETHING MOVED IN HER BELLY LIKE A CHILD, AND THE CHILD WAS JIMMY. SHE COULD FEEL HIM DRAWING STRENGTH FROM HER BLOOD.
